

Committed to Be  
**A Work of  
God**  
Not A  
Work for God

Our mission is to be a place where God is at work in the ministry as a place of transformation and discipleship for men seeking true life change in the atoning work of Christ Jesus. The church is a vital part of the mission to be the instruments in the Redeemer's hands providing a safe and clean environment for men to grow spiritually in a personal saving relationship with Christ Jesus the incarnate Son of God.

God's Word is the foundation of truth enabling the ministry to be the source of life and change

The Way Home is a transformational discipleship ministry for men that are recovering from alcohol and drug addictions.

The ministry serves men from any area and walk of life. The only requirement is their commitment to live in a transformational way according to scripture in Romans 12:2

**“Do not be conformed  
to this world but be  
transformed by the  
renewing of your  
mind.”**  
(Romans 12:2a)

## This is The Way Home

The Way Home located in Washington County provides the men access to churches, education, and job opportunities. The home houses up to 6 men in a 6 to 12 month program.

The Way Home is not a half way house or sober living home. Instead God has shown us to differentiate the ministry as place of discipleship.

- Half way houses are characterized by poor support for the men, criminal activity, and overcrowding.
- The Way Home is a ministry of intentional discipleship according to the commission of Jesus to make disciples (Matthew 28:20).
- The program provides men the help to begin leading a transformational life that starts with salvation and continues with sanctification. They are shown a new way of living.
- This is achieved through one on one discipleship of the men by volunteers from local churches.
- The program for the residents includes job training, employment services, and financial counseling.

## A Ministry of the Body

The body being the local church of like minded believers that accepts the inerrant authority of scripture and seeks to live obediently in relationship with God under His authority to reach the lost with the “Good News” of salvation in Christ.

The Way Home is ministry of this body to show the men a **new home, a new life, and a new family.**

The ministry focuses on achieving this by:

- Offering a platform for the local church to minister to men in recovery.
- The church becoming the new family for these men by welcoming them into their fellowship.
- Mentoring and discipleship of the men at The Way Home showing them a new way to live.
- Helping the men to build a new life with the abilities and skills to replace addictions.
- Being the love of God that will enable them to deal with the issues of life
- Helping the men learn how to handle mistakes and setbacks while continuing their commitment to living an growing in Christ.

## This Ministry Needs The Body

- Churches that will invite these men to become part of the family of God.
- Churches that will sponsor the ministry providing support spiritually and financially.
- Bed sponsors to support a bed for 30 or 60 days to give the men a chance to gain employment.
- Volunteers to work and disciple the men.

## Living A Transformed Life Means

Being committed to personal spiritual growth as a disciple of Christ Jesus as shown to us by God’s Holy Word.

Living responsibly together in community and in the world by obtaining and maintaining employment. Paying for their own support and setting goals and working toward the goals of transitioning back into life.
